Creating a moodboard: What to include

1. Board link.

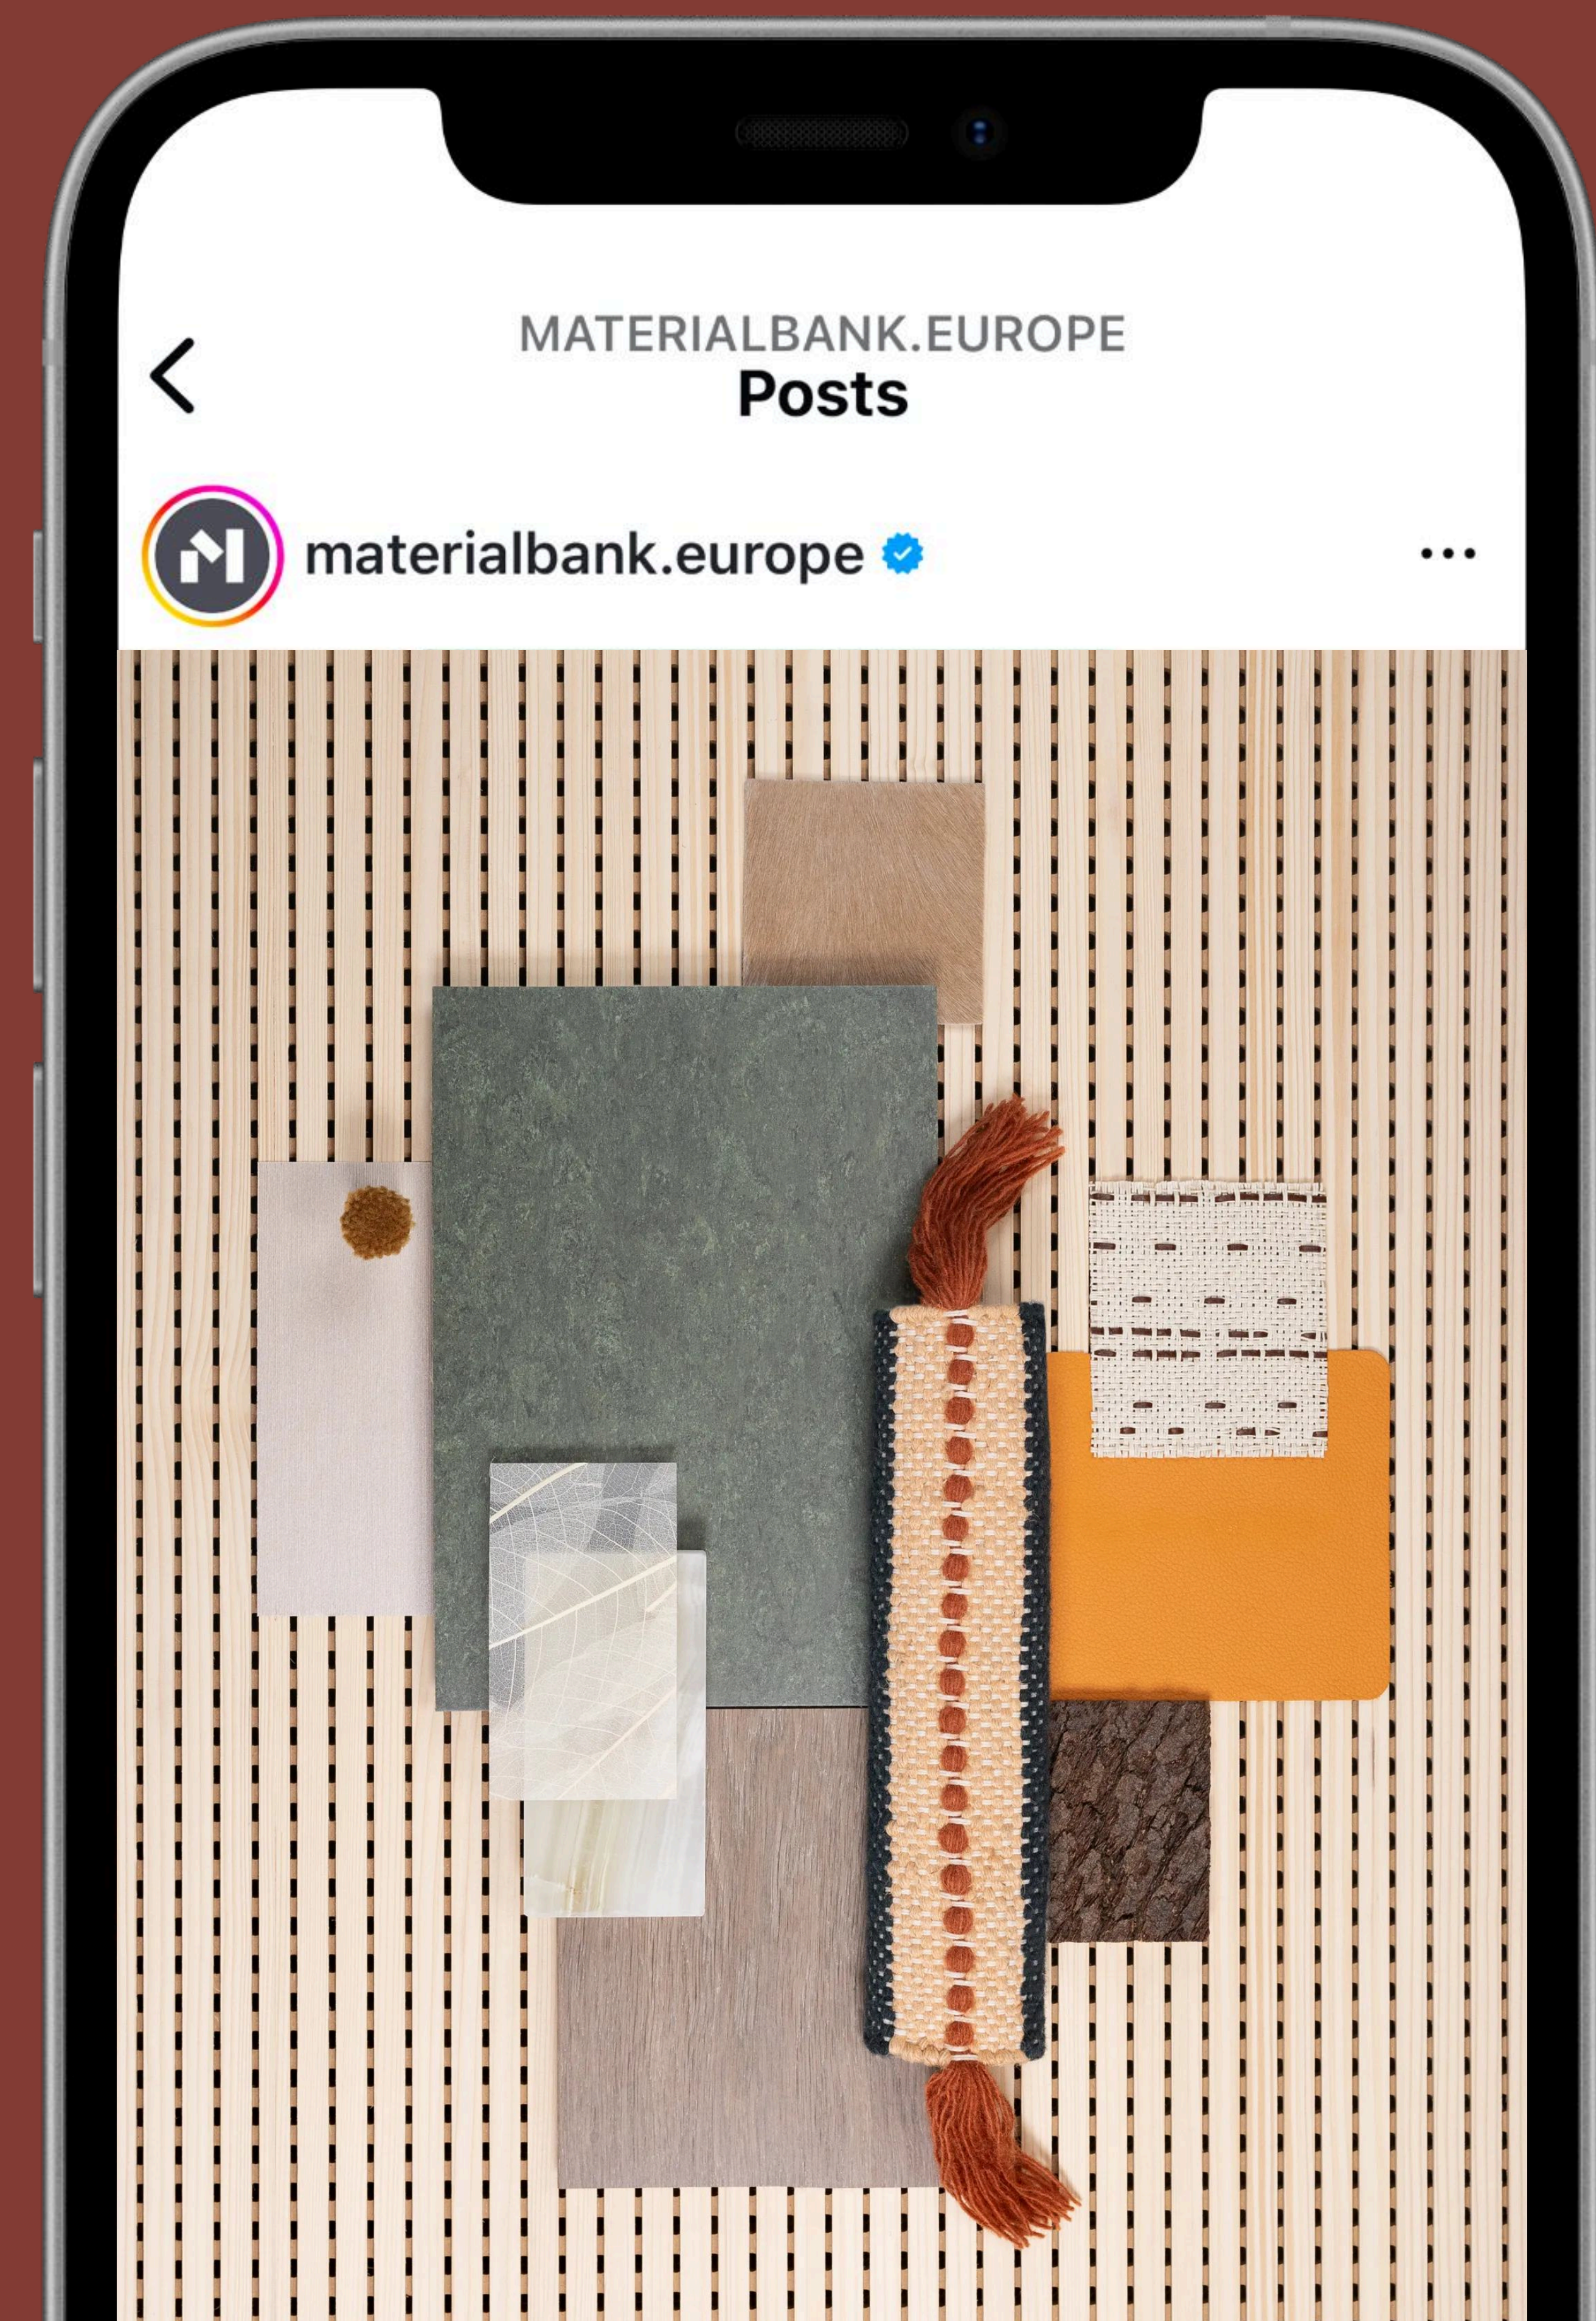

Create a board on the Material Bank platform with all the materials you want to include in your “Serene retreat” curated collection. The more, the better! Copy and paste the link to your shareable Material Bank board into the submission form.

2. Moodboard Image.

Place an order to receive all your selected materials for free. Take a picture of your physical moodboard; it can be either a single image or multiple images—whichever best showcases your style! (JPEG format, max 10 MB per image).

3. Description Text.

Add a brief explanation to give context to your collection and inspiration.
